Subject: Student Excuse Letter for Eid Al-Fitr Holiday

Dear Respected Principal,

On behalf of Masjid Al-Rahman Center and the Muslim community in our area, we kindly request your cooperation in granting Muslim students permission to be excused from school to observe the Islamic holiday of Eid Al-Fitr, one of the most important celebrations for Muslims worldwide.

Eid Al-Fitr marks the end of the blessed month of Ramadan, during which Muslims fast and engage in worship. On this day, families gather for a special congregational prayer and celebration.

As the Islamic calendar follows the lunar cycle, the exact date of Eid depends on the sighting of the moon. It is expected to be observed on Friday, March 20, 2026. Accordingly, Muslim students may be absent on this day to participate in religious observances with their families and community.

We appreciate your understanding and support. Please feel free to contact us if any additional information is needed.

Sincerely,

Yousef Dari
Chairman of the Board
